

HELLO, BALANCE.

The comfortable companion keyboard to your centered mice

Meet the new and improved Balance Keyboard – redesigned for even more comfort and productivity. Its ultra-thin, adjustable profile pairs perfectly with RollerMouse Red, creating a leveled setup that relieves shoulder, hand, and wrist strain, while soft scissor keys and intuitive shortcuts help you work smarter, not harder

Key(board) upgrades

- ✓ Ultra-thin, adjustable profile pairs perfectly with Roller- or SliderMouse
- ✓ Scissor keys give you softer and more silent typing
- ✓ Gently curved keys keeps your hands happy
- ✓ 17 custom keys saves time (and tired hands!)
- ✓ AI-ready functions allow you to work smarter, not harder
- ✓ QuickSwitch lets you multi-task across PC, tablet, and phone (3 pcs) with ease
- ✓ Full-size arrow keys lets you move faster & more comfortably
- ✓ New, improved quality is built to last, even with frequent cleaning
- ✓ Bluetooth lets you stay seamlessly connected
- ✓ Rechargeable battery with USB-C (Wireless)
- ✓ Security AES-128 (Wireless)
