COMPLIANCE DECLARATION

(edited in accordance with article 16 of EC Regulation n° 1935/2004 of the European Parliament)

Hereby we declare that the following products

-KSK 222 E

-KBSKB 222 W

Are compliant with the following EU collective legislations:

-Regulation **1935/2004/EC** and following updates and changes

-Regulation **2023/2006/EC** and following updates and changes

and with the following Italian legislation:

-DPR 777/82 and following updates and changes

-DM 21/03/1973 and following updates and changes.

They are furthermore compliant with the **Recommendation XXXVI of BfR** (German Federal Institute for the Risk Evaluation)

In addition, we declare that the papers do not contain **fluorinated compounds** and therefore **fluorine** is not used during production processes.

The above-mentioned products are usable for direct contact with **dry and fat** food, as well as integument food, and any food for which migration evidences are expected.

COMPLIANCE DECLARATION WITH PACKAGING ENVIRONMENTAL REQUIREMENTS

The above-mentioned products are also compliant with the following regulation:

-Legislative Decree 3.4.2006, n° 152 and following updates and changes in transposition with

-EU Directive 94/62/EC about packaging and packaging garbage:

This declaration is effective for two years starting from the above reported date and will be replaced if and when significant changes occur about the output of products that might transform some of the essential requirements for the purposes of compliance or when the legislative references are edited and updated so that a new check for the purposes of compliance is required.
