Contour Touch & Balance Full-Size Keyboard Combo

Contour

Product sheet

The perfect ergonomic setup that reduces shoulder strain without compromising on typing or mousing performance. Their matching width and height keep your shoulders and hands relaxed.

MAXIMUM PAIN RELIEF WHILE YOU'RE WORKING.
The centrally located touchpad is positioned in front of you, so there's no need to reach to the side, reducing the strain of repeat movements and making daily comfort last longer

GET MORE DONE WITH FEWER MOVEMENTS.
With shortcut buttons and familiar Windows gestures on the touchpad and programmable keys on the keyboard, your most-used actions stay right where you need them, no learning curve

FAMILIAR, INTUITIVE INTERACTION.
The glass touchpad has a smooth surface for precise, effortless finger movements. The click-anywhere feature lets you interact naturally without being limited to specific zones
