

TIPY

«TIPY: a coat stand that will sublimate your workspace.»

FUNCTIONNAL

Robust et stable

Its rugged vertical design of the coat rack will not take up much space in the room. A 4-foot base helps stabilize and hold the unit in place, even when loaded. To improve stability, we recommend you to hang your clothes evenly distributed.

DESIGN AND TRENDY

A design product of Scandinavian inspiration

TIPY is a 170 cm beech wooden coat rack. It is equipped with 4 locations that will facilitate the suspension of your clothes.

Design, it sublimates as well the big strong interior in stamp, type foyer, as the smallest contemporary spaces type individual office.

ECO-FRIENDLY PRODUCT*

Responsible purchasing

Its design contributes to preserve the natural resources for the future generations.

* The wood used in this product comes from a forest managed in an eco-responsible way

Base : perfect stability
