Product description

A range of high-quality and very attractive presentation table flipcharts. Created for a wide range of uses such as trade fairs and exhibitions as well as training courses, but also for a personalised presentation to a select group. The quality and class of this range is revealed through the soft ribbed metallic grey PVC material, along with a unique removable spine label for the easy identification of all presentations. All DURASTAR presenters can be stored vertically. For format: A4 Landscape. Size: 290 high x 320 wide, 38 spine width, 290 deep (standing)
